Grant Agreement n° 861061

### Call for the selection of ESR-1 position at Universidad de Sevilla open in Euraxess on May 1, 2020 and closed on June 30, 2020

EURAXESS offer ID: 489711

Total energy minimization with stress conditions for mixed mode fracture in anisotropic heterogeneous materials and structures

The Selection Committee, composed by

- Prof. Vladislav Mantic (Chairperson),
- Dr. Dominique Leguillon (1st Effective Member),
- Dr. Elena Correa (2nd Effective Member),

gathered on September 7, 2020 at 10:00 and interviewed five of the seven candidates who had been top ranked in the first meeting on the basis of the Selection Criterion 1 (“Curriculum vitae”), as two of the invited candidates, namely Mr. Georgi Hristov Spasov and Mr. Matteo Pastrello, declined the invitation (see Annex 1 for e-mails declining the invitation).

The Selection Committee proceeded to the evaluation according to the Selection Criterion 2 (“Selection Interview”) approved by the Selection Committee on July 15, 2020. The interviews took place remotely, using videoconferencing platform TEAMS. The audio and video quality was good for all the candidates and no technical problems were encountered. The language was English in all cases. The candidates were identified by an identification document such as identity card or passport (see Annex 2). Each candidate gave a 5 to 8 minutes presentation followed by a Q&A session with the committee.

After the interviews, the Selection Committee discussed and unanimously agreed on the following scores for the Selection Interview:

Time (CEST)	Candidate	Criterion 1. Knowledge and motivation for the position sought	Criterion 2. Attitude (candidate's ability to work in a project team and take responsibility for own research goals)	Criterion 3. Fluency in communicating in English	Total Interview (2*C1+2*C2 +2*C3)
		Max 5 pt	Max 3 pt	Max 2 pt	Max 20 pt
10:30	Alves Ribeiro, Bruno Miguel	4.5	3	1.5	18
