open in Euraxess on May 1, 2020 and closed on June 30, 2020**

EURAXESS offer ID: 491033

Toughening composites by micro and meso structural optimization

The Selection Committee, composed by

- Dr Israel G. García (Chairperson),
- Professor Vladislav Mantič (1st Effective Member),
- Professor Zohar Yosibash (replacing Prof. Laura de Lorenzis as 2nd effective member, who declined due to health issues),

gathered on July 30, 2020 and interviewed the six candidates who had been top ranked in the first meeting on the basis of the Selection Criterion 1 (“Curriculum vitae”) or their substitutes for those who declined the invitation. In particular, Mr. Francesco Vicentini, Mr. Georgi Hristov Spasov and Mr. Jan Xavier Teltschik declined the invitation (see Annex 1 for e-mail declining the invitation). They were substituted by Mr. Bruno Miguel, Alves Ribeiro, Mr. Simone Sangaletti and Mr. Soheil Khomejani Farahani.

They proceeded to the evaluation according to the Selection Criterion 2 (“Selection Interview”) approved by the Selection Committee on June 30, 2020. The interviews took place remotely, using videoconferencing platform. The audio and video quality was good for all the candidates and no technical problems were encountered. The language was English in all cases. The candidates were identified by an identification document such as identity card or passport (see Annex 2). Each candidate gave a 5 to 8 minutes presentation followed by a Q&A session with the committee.

After the interviews, the Selection Committee discussed and unanimously agreed on the following scores for the Selection Interview:

Time (CEST)	Candidate	Criterion 1. Knowledge and motivation for the position sought	Criterion 2. Attitude (candidate's ability to work in a project team and take responsibility for own research goals)	Criterion 3. Fluency in communicating in English	Total Interview (2*C1+2*C2 +2*C3)
		Max 5 pt	Max 3 pt	Max 2 pt	Max 10 pt
