REASONS FOR NON-ELIGIBILITY:

1. Not fulfilling the requirement: *Applicants must not have resided or carried out their main activity (work, studies, etc.) in Spain for more than 12 months in the 3 years immediately before the appointment. Short stays, such as holidays are not taken into account.*
2. Not fulfilling the requirement: *At the time of their recruitment, candidates must be in the first four years (full-time equivalent research experience) of their research careers and have not been awarded a doctoral degree. This is measured from the date when they obtained the master's degree, or an equivalent degree.*
3. Not fulfilling the requirement: *Applicants must have a university degree that qualifies for PhD studies at the time of recruitment (Master or equivalent). Candidates may apply prior to obtaining their Master's degree but cannot begin before having received it. That means that applicants are eligible if they are expected to graduate no later than September 2021.*

ALLEGATION PERIOD

The institution will publish within a maximum period of 15 working days the list of candidates definitively admitted in the selection process. Non-selected candidates can claim objections to the selection process during three next working days after the announcement of the list. The allegations can be sent by email to the address aerotrains@us.es.

After evaluating and responding appropriately to these allegations, these minutes may be modified. In the event that it is not modified, final list of the admitted candidates will be announced within a maximum period of 10 working days.

Seville, April 16, 2021, Vice-Rector for Research
