

# CIENCIAS MARÍTIMAS, MEDIOAMBIENTE Y ESTRATEGIA

Maritime Sciences,  
the environment, and  
Strategy

14-16.06.2023  
UNIVERSIDAD DE SEVILLA

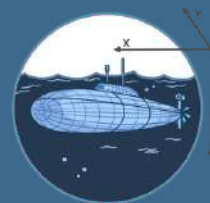

ENCUENTRO INTERDISCIPLINAR Y  
BILINGÜE CON RECONOCIDOS EXPERTOS  
LOCALES E INTERNACIONALES

FINANCIADO POR EL PROGRAMA H202 ERC-  
CONSOLIDATOR GRANT DEEPMED-101002330:  
**DESCUBRIR EL MEDITERRÁNEO (PROFUNDO):  
UNA HISTORIA DE CIENCIA  
Y ESTRATEGIA (1860-2020)**

[HTTPS://GRUPO.US.ES/DEEPMED/](https://grupo.us.es/deepmed/)

INTERDISCIPLINARY AND BILINGUAL  
ENCOUNTER WITH RENOWNED LOCAL AND  
INTERNATIONAL EXPERTS

FUNDED BY THE H2020 PROGRAM ERC-  
CONSOLIDATOR GRANT DEEPMED-101002330:  
DISCOVERING THE DEEP MEDITERRANEAN  
ENVIRONMENT: A HISTORY OF SCIENCE AND  
STRATEGY (1860-2020)

Friday 16  
Field trip to Instituto Español  
de Oceanografía,  
Fuengirola, Málaga.  
Sólo con invitación.  
By invitation only.

## Miércoles 14/Wednesday 14

Parainfo del Rectorado, US;  
Entrada libre hasta completar el aforo.  
Open to the public.  
Simultaneous translation into English  
available.

- 17:30 **Julián Martínez Fernández** Vicerrector de Investigación (US). Bienvenida
- 17:45: **Lino Camprubí, Alberto Celis, and María C. Villarín** (DEEPMED, US) El proyecto DEEPMED  
*The DEEPMED Project*
- 18:30: Pausa
- 19:00 **Juan Luis Suárez de Vivero** (US); presenta **Juan Carlos Rodríguez** (US), Áreas marinas fuera de la jurisdicción nacional, geopolítica y relaciones internacionales: la estructura geográfica de la alta mar y los fondos marinos.  
*Oceans commons, geopolitics and international relations. The geographical structure of the high seas and seabed.*

## Jueves 15/Thursday 15 (mañana-morning)

10-14h Aula XXXIII. Sólo con invitación  
By invitation only

- 10:00-10:30 **Katharine Anderson** (York University, Canada)  
*The Oceanic Phase of History: Europe and the South Atlantic after 1918*
- 10:30-11:00 **Mats Ingulstad** (Norwegian University of Science and Technology)  
*The Deep Dilemmas: Deep Sea Mining for the new Deep Transition?*
- 11:00-11:30 **Mats Ingulstad** (NUST), **Ole Sparenberg** (Karlsruhe Institute of Technology), and **Yoram Carboex** (Norwegian University of Science and Technology)  
*A European Job? (Dis)integrating the European approaches to Deep Sea Mining*
- 11:30-12:00 Pausa
- 12:00-12:30 **Julio Ponce Alberca** (US)  
*Between geography, national interests and seas: Gibraltar's role in war times (1936-1945)*
- 12:30-13:00 **Sam Robinson** (University of Southampton)  
*Ocean Science and post-conflict reconstruction of European scientific relations in the 20th Century.*
- 13:00-13:30 **Efstathia Dorovitsa** (DEEPMED,US)  
*Building bridges to a glorious thalassographic past; Greek oceanographic endeavours, 1900-1940*
- 13:30-14:00 Discussion.
- 14:00-17:00 Lunch break

## Jueves 15/Thursday 15 (tarde-afternoon)

Parainfo del Rectorado, US;  
Entrada libre hasta completar el aforo.  
Open to the public.  
Simultaneous translation into English available.

- 17:00 **Augusto Conte de los Ríos** (Ministerio de Defensa, Cartagena); presenta, **Julio Ponce Alberca** (US):  
*España y la Mar: Pasado, presente y futuro Spain and the Sea: Past, present, and future*
- 18:30 Pausa
- 19:00 **Emilia Guisado Pintado** (US), **Antonio Tovar** (ICMAN-CSIC), **Juan Pérez de Rubín y Feigl** (IEO-CSIC); presenta, **Lino Camprubí** (DEEPMED, US).  
*Mesa redonda: Las ciencias del mar ante los retos del Mediterráneo Round table: Marine sciences and the Mediterranean challenges.*
